

# DUNAMIS IS FOR YOU

Do you desire to be effective in ministry, but have come to the end of your own strength?

Do you work to spread the Gospel, but just see a culture that opposes it?

Didn't Jesus' disciples deal with these same challenges? How did they do it?

We know that ministry begins with a relationship with Jesus Christ. What about the power and work of the Holy Spirit?

Gateways to Empowered Ministry develops a Scriptural view of the person and work of the Holy Spirit. It is the first of six events in the Dunamis Project.

By the end of Gateways to Empowered Ministry, you will have a sound, Biblically based knowledge of

- who the Holy Spirit is
- how Jesus cooperated with the Holy Spirit
- what the work of the Holy Spirit is today
- what it means to be filled with the Spirit

Whether you have reached a place in your Christian faith or ministry where it feels like you are trying to do too much on your own, or you are curious or skeptical about the nature and work of the Holy Spirit for today, Gateways to Empowered Ministry is a fantastic way to begin your journey in cooperating with the work of God.

## EXPERIENCE DUNAMIS

Gateways to Empowered Ministry reminded me to really listen to the Holy Spirit. I gained a better understanding of who He is and who He is in scripture. The sessions I attended were packed full of insight and scripture.

I think I could use the next 6 months to continue to grow and do what I learned. My desire since leaving this workshop is to be obedient to the Holy Spirit and follow His lead.

-Annette

Oh my goodness. I waited years until I could attend a complete event for I could never miss the day's teaching. I consider it such a huge blessing in my life. I practice daily, read the info, books and of course my Bible. I want to apply everything I have learned about the Holy Spirit.
